SCHEDULE AND EXPLANATION OF FEES (2021-2022)

The annual tuition and fees of the International School of Turin, which is registered as a non-profit Association, are determined by its elected Board of Directors. They are presented as estimates emanating from an operating budget that is approved by the Association at its annual General Assembly meeting. While the Board of Directors makes every effort to establish the school's annual tuitions and fees in advance, modifications may become necessary during the year. As these tuitions are established as operating estimates, the Board of Directors reserves the right to adjust the school's fees at its discretion.
