Some activities have only limited spaces, therefore registration will be accepted on a first come, first served basis.

Please note that once students have committed to an activity they are expected to attend all sessions. No refunds will be given if a student leaves during the program or is absent at any time.

IMPORTANT: for all students enrolling to sport activities, the school needs to receive a valid **MEDICAL CERTIFICATE FOR NON AGONISTIC SPORTS**. This certificate can only be issued by a Sport Physician. Ask your GP for more information.

Club 77 in Pecetto has an internal Sport Physician that offers such a service, visit them or contact them for more information: <https://www.sportvillageclub77.it/wp/>
